## Figures Won't Lie.

The following interesting proposition should be figured by anyone who needs the information and will take the time:  
One case of rheumatism and a doctor's attention.....\$2.00  
At least one prescription......75  
Loss of time, wrong experiment, another visit of the doctor and another prescription.....\$2.75  
Ditto ailment and a bottle of Andes' Great Prescription, the best rheumatic specific.....\$1.00  
No loss of time, no experiment and no second investment.....0.00  
Saving to patient.....\$4.50  
You can buy this wonderful remedy, Andes' Great Prescription, from C. A. Milford, Abbeville, S. C.  
It costs \$1.00 per bottle, 3 for \$2.50, or six for \$5.00. If you are actively curing your rheumatism, it will speedily correct any disorders of the stomach, liver, kidneys and bladder. It will also cure biliousness, constipation and all blood impurities.  
Get a bottle and try it. If you are not pleased with results after taking a few doses according to directions, return the balance and get your money back.  
The open formula of Andes' Prescription is printed on every package and label. You can see what you are taking, and there'll be no guess work about it.  
In cases of rheumatism and all other pains, it's a good idea to rub with Andes' Great Oil. It helps things along more quickly and costs but 50 cents a bottle. You ought to have it in the house all the time for sudden emergencies.

This man bought a supply of tobacco without acquainting himself with the distinctive taste of SCHNAPPS Tobacco, which has the cheering qualities that gratify his desire to chew, and at less expense than cheap tobacco.

SCHNAPPS has been advertised in this paper so that every chewer has had an opportunity to get acquainted with the facts and know that drugs are not used to produce the cheering quality found in the famous Piedmont country flue-cured tobaccos, and that SCHNAPPS is what he ought to chew. Still there are chewers who accept other and cheaper tobaccos that do not give the same pleasure.

Some day they'll get a taste of the real Schnapps—they'll realize what enjoyment they've missed by not getting SCHNAPPS long ago—then they'll feel like kicking themselves.

SCHNAPPS is sold everywhere in 5 cent cuts, and 10 and 15 cent plugs. Be sure you get the genuine.
